

DON'T MOVE ON JUST ANY TIRE.

WHAT IS YOKOHAMA

Yokohama Tire is a leader in **technology** and **innovation**. Being the **8th largest tire company in the world** and surpassing **\$6 billion in global sales**, Yokohama offers one of the **longest-lasting tire lineups** with **industry-leading retreadable casings**.

HOW YOKOHAMA IS EXPANDING

In 2013, Yokohama signed an agreement to build a **new U.S. commercial truck tire plant** in West Point, Mississippi. The facility, which is expected to produce **one million tires annually** starting in October 2015, has an initial capital investment of **\$300 million** and potential **plant expansions could reach up to four times** the original employment and investment levels.

WHO USES YOKOHAMA

Servicing a network of more than **4,500 points of sale in the U.S.**, Yokohama also has **many original equipment partners** including Freightliner, Paccar, Kentucky Trailer Manufacturing and many more.

WHY YOKOHAMA

Our approach to ensure that we are the **best partner for you** entails turning your day-to-day challenges into our primary drive. Focusing on the things that our customers consider most important: **Longevity, Efficiency, Availability and Dependability**, we've developed products and services to help your business run smoother and ultimately improve your bottom line.

With **new cutting edge products for every application** and **industries leading ultra wide base drive and trailer tires**, we will keep you moving.
